

Narendra is a Truck Driver. During his duty hours, while he was driving on KMP Expressway from Manesar towards Palwal, his truck collided into another truck. It was a major accident. He was immediately taken to Civil Hospital, Palwal by the people available at the accident site. This accident took place on 6th of October in the morning. He was referred to Safdarjung Hospital, New Delhi. He is admitted in HDU ward of Safdarjung Hospital where his condition is extremely critical. He has two children, one is 2.5 years old and one is just 4 months old. Narendra needs your help to overcome this critical situation and be able to live as he was living a few days back. Currently he is in coma.
