

NGO Name: Grateful Child Welfare Foundation

Patient Name: Shreenika Paul

Hospital: Jasola Apollo, New Delhi

Cost of Treatment: 36,00,000 INR

Shreenika Paul, a bright and brave 1.5-year-old girl, is fighting a difficult battle against **Thalassemia**, a severe blood disorder that requires lifelong care and frequent treatments. She is currently undergoing treatment at **Apollo Hospital, New Delhi**, where doctors are working tirelessly to support her recovery.

However, the cost of her treatment is overwhelming for her family. The estimated expenses have reached **₹36,00,000 (36 lakh)**—an amount far beyond what they can manage on their own. Family has somehow managed to get the treatment done for **₹31,00,000** Rupees, the remaining struggle is for Post Treatment Expenses which are **₹5,00,000** Rupees.

♥ **Please consider donating to support Shreenika's treatment and give her a chance at a brighter future.**

Your kindness, prayers, and generosity can help save a young life.

Dated: October 13th 2025**TO WHOM SO EVER IT MAY CONCERN**

This is to certify that Ms Shreenika Paul, 1 yrs old female, is a case of Thalassemia Major. She is currently on supportive care for the same. The only curative treatment for Thalassemia Major is Bone Marrow Transplant. In the absence of matched sibling or matched related donor, Shreenika is planned for Haploidentical Bone Marrow Transplant. It is recommended for Shreenika to go ahead with BMT to give her best quality of life & normal life expectancy.

BMT (Haploidentical) is an expensive treatment. The quotation for BMT is as mentioned below:

1.	Pre-transplant workup (donor & recipient)	approx. 75000 INR.
2.	Autologous Back up	approx. 2 Lacs INR.
3.	Pre transplant preparation	approx. 1 lac X 2 cycles = 2 Lacs INR
4.	Donor Harvest	approx. 1.25 Lacs INR.
5.	T cell depletion kit (from Miltenyi Biotec Germany)	approx. 13 Lacs INR
6.	Transplant phase for 4 weeks of uncomplicated stay in hospital (dose of chemotherapy medicines depends on weight).	approx. 15 -16 Lacs INR.
7.	Post BMT, weekly OPD follow ups for 2 months	approx. 50000 INR/month
Grand Total		approx. 36 Lacs INR.

Overall success rate of BMT is approx. 80-90%.

NOTE: The cost might rise in case of any unforeseen complications & extended stay in the hospital.
